Remuneration:	£25k-£28k (dependent on experience) IMMOFP Pitchside course funded (worth £600)
Closing Date for Application:	Friday 23rd November
Interview Dates:	Week of 25 th November
Start Date:	Immediate Start Date

An exciting opportunity has arisen at Huddersfield Giants to join our experienced sports medicine team. We are looking to recruit a Sports therapist or Sports Rehabilitator who has a passion for delivering high-quality soft-tissue therapy and would demonstrate a highly conscientious approach to overseeing the administrative side of our sports medicine department.

At Huddersfield Giants we believe a strong Medical Team is built on the foundations of Communication, Organisation and Support. The right candidate will join a strong team of medical practitioners and will be able to immediately add value to our forward thinking and dynamic multi-disciplinary performance department.

This role would be especially suited to an individual who has significant experience in the delivery of soft-tissue therapy to sports persons, is able to work pro-actively and has an exceptional attention to detail with experience in administrative processes.

Job Description:

The Senior Sports Therapist/Rehabilitator & Medical Administrator will be responsible for the delivery of soft-tissue therapy to first-team players on training days and matchdays (including overseeing others in the delivery) and will have specific sports medicine administrative duties.

They will also assist the department in multiple areas as required (e.g. pitchside cover, delivery of pre/rehabilitation, athlete screening, movement health).

In-short the duties of the Senior Sports Therapist/Rehabilitator & Medical Administrator are split into two parts:

Clinical:

- Soft-tissue lead for 1st team
- Recruit, manage and upskill volunteer soft-tissue therapists
- Manage Student Sports Rehabilitation Intern
- Manage morning screening system
- Provide pitchside training cover as required
- Assist with the delivery of rehab/prehab sessions as required
- Oversee the status of on-loan players
- Lead on the management of concussion GRTPs (alongside HoM and Club Doctor)

Medical Administration:

- Maintain Injury Surveillance and Availability Records (internal and RFL)
- Manage the filing of clinical letters/MRI reports/Op notes
- Lead on Department Clinic Notes Compliance
- Medical Stock Management/Ordering
- Medical Equipment maintenance (MME and pitchside supplies)
- Arrange Clinical Appointments
- Manage Player Equipment Loans
- Oversee the Player Passport System
- Oversee Baseline Screening (e.g. Concussion and Cardiac Screening)

Essential Requirements:

- Sports Therapy or Sports Rehabilitation Degree and registration with governing body
- Minimum 2 years post graduate experience
- Passion for providing high quality Soft Tissue Therapy
- Highly diligent and motivated
- Attention to detail and holds self and others to high standards
- Ability to lead others
- Exceptional IT skills
- Right to live and work in the UK already in place (no sponsorship)
- Full clean UK driving licence

Desirable Requirements:

- Experience of working within full-time sports environment
- Experience of quality administration work
- Pitchside trauma qualification (IMMOFP, PHICIS, ATTMiF)
- Qualification and experience in delivering stretching/yoga classes
- Experience in delivering exercise-based therapy

Please register your interest by emailing CV and covering letter, outlining suitability for the position, to Head of Medical Services - Patrick Robertson medical@giantsrl.com.
